

OUR FLAG

God bless the flag, let it float and fill the sky with its beauty; our heart-strings thrill to the low sweet chant of its wind-swept bars, and the chorus of all its clustering stars.

Embrace it, O mothers! and heroes shall grow while its colors blush warm on your bosoms of snow.

Defend it, O fathers! there's no sweeter death than to float its fair folds with a soldier's last breath!

And love it, O children; be true to the stars.

Who wove it in pain by the old camp-fires.

—Samuel L. Simpson in The Kentucky Elk.

SENATE AT SEA ON FOOD BILL

Important Changes Must Be Affected — Likelihood That Prohibition Clause May Be Modified, and Many Items of Control Eliminated.

Washington, July 9.—A recurrence of opposition to prohibition legislation written into the food control bill, together with stubborn protests against the proposals for government regulation of the iron, steel, cotton and other industries, completely upset the plans of senate leaders today and promises to force important revisions of the measure.

Falling again to secure unanimous consent for limiting debate or setting a time for a vote, the leaders submitted the motion, held in reserve for several days to invoke for the first time the senate's cloture rule. They also arranged a democratic steering committee meeting for tomorrow to draft changes in the bill so as to make sure it will not be defeated when a final vote is secured.

The culture motion, submitted by Senator Chamberlain as manager of the bill, went over until Wednesday under the rules. It bears the signatures of twenty-one senators, all but three of them Democrats. For the adoption, a two-thirds vote will be required. Before it comes up, however, the Democratic leaders hope to effect such changes as will satisfy the bill's opponents.

In open debate and many private conferences during the day opposition grew against the measure. Criticism was directed particularly against Senator Smoot's amendment, adopted Saturday, providing for government purchase of all distilled spirits in bonded warehouses, but many other sections of the bill came in for attack as well.

At tomorrow's steering committee meeting plans will be considered to eliminate steel, iron, cotton and some other products from the government control provisions of the bill and to amend the Smoot provision.

The prohibition question was discussed at length in today's debate, with leaders of both "wets" and "drys" declaring it unconstitutional in its provision to give distillers a "just and fair" compensation for liquor to be commandeered. Senator Kenyon, who voted for the amendment and has been prominent in the prohibition movement, told the senate the provision was not "worth the paper it is written on."

That great harm has resulted to the wheat market since the food legislation has been under discussion was charged by Senator Nelson.

Citing the drop in prices here he declared that the government must buy the wheat or the farmers would suffer, the millers being unable to absorb all the crop. Senator Penrose denounced the bill as "awkward and absurdly ungrammatical and a disgrace to a crowd of school boys," in some respects.

The senate accepted the committee amendment empowering the government to take over and operate packing houses, oil and gas wells and pipelines in addition to mines, factories and other plans if necessary to secure an adequate supply of necessities for the army and navy. An amendment to permit the board of mediation and conciliation to pass upon the wages to be paid employees of plants commandeered by the government, was also adopted without a record vote.

If the bill is recommitted, there may be an attempt to add a section giving government control of coal and railway supplies.

U. S. SOLDIERS MAY BE UNDER GERMAN FIRE

A French Port, July 8.—This city was astr today at the prospect of the impending departure of the American contingent for its permanent training camp. Maj. Gen. William L. Sibert has completed all arrangements for moving the men. The General himself will leave by automobile and will take up quarters already prepared in a village "somewhere in France," which will be within hearing of the German guns, if not within direct range.

The troops were enthusiastic today at the prospect of getting several miles nearer real action and hailed vociferously the prospect of an early departure. The town took a vacation to visit the camp. The residents had heard only the vaguest rumors about the troops leaving but did not venture to lose the opportunity to see the Americans. The camp adjoining the seaport was filled with civilians, who eagerly watched their preparations to leave.

There is an epidemic of typhoid fever at Ceneard now. Drs. P. G. Smoot and W. S. Yassell were there yesterday afternoon attending some patients.

Miss Anne Wilson of Paris is the guest of friends in this city.

Was Amount of Money Collected in Mason County in Big Red Cross Drive—A Splendid Record.

The Mason County Chapter of the American Red Cross, in full and deep appreciation, returns its thanks to the numerous and generous contributors who so nobly responded to our recent efforts in behalf of the War Fund. Your interest, your sympathy, your generosity and your quick conception and performance of this most meritorious duty, exceeds anything in the high record of Mason County. We knew there would be no "slacking" upon the part of great old Mason County, but your prompt and generous action more than exceeded our expectations. It is such conduct that proves the greatness of a people.

We are unable to personally acknowledge each donation; but, submit below the result of our efforts by precincts, and are confident that had we been able to extend our organization to all precincts, that even better results would have been obtained. We hope that the unorganized precincts will yet take up the work and we will be glad to co-operate with them to that end. There is plenty of time yet. The work of the Red Cross is just commencing. It is the Army of Mercy and Duty and should continue well organized until the war is over. We hope to have every citizen of Mason county a member.

Respectfully,  
J. N. KEHOE, Chairman.

MANY ATTEND CARNIVAL

Although last night was the opening of Brown Bros. Greater Shows at the baseball park, all the shows were running and a large crowd was out. The band with this carnival is above the ordinary. There will be concerts in the street twice daily.

The contract between the Elks and the show company is quite a liberal one and there is one provision which guarantees that there will be no immoral shows, which means that ladies, gentlemen and children are perfectly safe in attending all performances.

Go out to the carnival and help boost the Mason County Red Cross Society.

## "ON THE WRONG SIDE OF THE FENCE"

Qualifications Do Not Count For Much But Politics Do, Thinks Contributor — Purnell Only Lawyer Candidate For County Judge.

The Daily Independent of recent date has this to say of Hon. Harry Purnell in referring to his candidacy for County Judge:

"Mr. Purnell at present represents Mason County in the Kentucky Assembly, and is a brilliant young attorney, well qualified to fill the office, to which he aspires. The Independent thinks, however, he has a very poor chance to land this time for he is on the wrong side of the fence."

Personally we do not know anything about Mr. Purnell, or his qualifications for the important office of County Judge, however, the Independent says he is a brilliant young lawyer and well qualified to fill the office, but leaves us to infer that his brilliant attainments, his knowledge of law, and his upright character, can not avail him anything for the simple reason that this brilliant, well qualified young man is on the wrong side of the fence or is a Republican. If the voters of Mason county are looking for a man to fill the office of County Judge, if he is honest, and capable why ask anything about his political affiliations, or what church he belongs to, what we need for our county is good business management. As County Judge Mr. Purnell will not make our laws, he will only execute them. We do not claim to know anything about the business qualifications of the Democratic candidates who are offering for County Judge, we are told however, that Mr. Purnell is the only candidate who is a lawyer. However there is no doubt but much of Kentucky's slow progress is due to the fact that I will not vote for him because he does not belong to my party, it is not efficiency we want, it is party success.

Mr. Purnell's opponent may be equally as well qualified to fill the office as is Mr. Purnell but from the Independent's standpoint, it is not qualification that counts, but which side of the fence you are on.

MAXIMUM PENALTY FOR ANARCHISTS

New York, July 9—Emma Goldman and Alexander Berkman, anarchists, convicted here tonight of conspiracy to obstruct operating of the selective draft law, started for prison in the custody of federal marshals a few hours after the verdict had been returned.

Berkman will be taken to the federal penitentiary at Atlanta, Ga., and Miss Goldman to the state penitentiary at Jefferson City, Mo. Each was sentenced by Federal Judge Mayer, to the maximum penalty of two years imprisonment and to pay a fine of \$10,000.

Mrs. John McCarthy is ill at her home on East Second street.

Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c.

### CHINA AGAIN IS REPUBLIC

Washington, July 9—A democracy has been re-established in China, according to State Department despatches today.

After a week's skirmishing during which Hsuan Tung, the young emperor, was set up at the head of a monarchy, official reports today indicated the Manchou emperor had been driven out and the former vice president, Keng Chang, established as president of a new provisional government.

Despatches said the democracy was restored July 7. At the State Department it was said all the foreigners probably were safe. Both sides offered guarantees of their safety.

All legation guards of British, French and American troops reached Peking.

### A WORD WITH WOMEN

Valuable Advice for Maysville Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and kidney disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

Then help the weakened kidneys. Don't expect them to get well alone.

Doan's Kidney Pills have won the praise of thousands of women. They are endorsed—Read this Maysville woman's convincing statement:

Miss Dora Edgington, Wood St., Maysville, says: "I have used Doan's Kidney Pills and from the results received, I have every reason to recommend them. At times, my kidneys have become weak and have been irregular in action. My back has ached, too and has been very weak and lame across my kidneys. When ever I have used Doan's Kidney Pills for this trouble, they have never failed to relieve the complaint in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills at Chaslor's Drug Store, if troubled in that way."

Miss Edgington is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Miss Edgington had—the remedy backed by home testimony. 50c all stores. ### RED CROSS COUNCIL

Sends Letter of Appreciation to Hon. James N. Kehoe and His Associates For Splendid Work Done in Securing Red Cross Funds.

June 30, 1917.

Mr. J. N. Kehoe,

Maysville, Kentucky.

Dear Mr. Kehoe:

At the close of the wonderfully successful campaign for the Red Cross War Fund I intend, in behalf of the War Council, to send you and your associates, a telegram of thanks and congratulation for your splendidly effective work. On reflection, however, I decided in view of the nation wide extent of our organization that it would be more economical, and equally satisfactory, to write to you instead of telegraphing.

We of the War Council are deeply grateful to you, to your colleagues, to the devoted men and women of local Red Cross Chapters and Auxiliaries, and to every element and individual in your community who aided by service and contribution.

There is no method by which we can reach the legion of individuals, organizations, churches, newspapers, societies, banks, companies and firms whose united efforts has provided this great fund for humanity, and if through your press and by other means you can make public expression of our gratitude we shall deeply appreciate the courtesy. Their joint accomplishment has stirred the pride of every American.

I wish to add my personal thanks to you, and through you, to all who contributed to the splendid result.

Very Sincerely yours,

H. P. DAVIDSON,

Chairman, Red Cross War Council.
